EDUCATION

National Taiwan University (NTU), Taipei, Taiwan

09/2008 - 06/2012

Bachelor of Science, Electrical Engineering

Overall GPA 3.48/4.00, GPA in major 3.62/4.00

STANDARDIZED TEST SCORES

TOEFL – 105 (Reading: 27, Listening: 26, Speaking: 24, Writing: 28)

02/2012

GRE General – 317 (Quantitative: 167, Verbal: 150, AWA: 3.5)

11/2012

RESEARCH/LABORATORY EXPERIENCES

Academia Sinica, Taipei, Taiwan

Research Assistant at Institute of Information Science

08/2012 – present

- Crowdsourcing
- Optical Character Recognition
- Speech Recognition

National Taiwan University (NTU), Taipei, Taiwan

➤ NTU Mobile Networks and Wireless Communications Research Group 09/2011 – 07/2012

- Access Class Barring for Machine-to-Machine Communications
- Communications issues in Atmospheric Dispersion Modeling
- ➤ MicroSystem Research Lab. (MSR Lab)

09/2010 - 06/2011

- Hands-on implementation of Beamforming
- > Network and Multimedia Lab. (NM Lab)

Fall, 2011

- Web chat room program, including video chat function and data transmission
- Android multiplayer motion sensor project
- Table tennis network computer games based on multiple XBOX 360 Kinects

COURSE PROJECTS

➤ Integrated Circuit Design

Design a calculator with reset that computes discriminant of quadratic equation, and the Wallace tree was implemented in two-stage pipeline.

Computer Network

Implement a caching proxy server in the first assignment, implement Trivial File Transfer Protocol (TFTP) in the second assignment, and implement Distance Vector Algorithm between routers in the third assignment.

> Network and Platform Service Programming

Write a Google extension that can sync the post from Facebook to Google+

WORKING EXPERIENCES

> Research Assistant, Academia Sinica

08/2012 - present

> Teaching Assistant, Licheng Education Institute

03/2009 - 01/2012

Tutoring math, physics and chemistry for more than 200 high school students

PROFICIENT SKILLS

Programming languages C/C++, C#, Java, PHP, Javascript, HTML, Flash, Ruby, UNIX

shell scripting, Matlab, Verilog

Tools Sphinx, HTK, Microsoft Visual Studio, HSpice, FPGA, Quartus II,

LaTeX, Apache

Languages English (fluent), Mandarin Chinese (native), Taiwanese (native)

EXTRACURRICULAR ACTIVITIES

Round-up, badminton men's singles, Freshman cup, NTU

10/2008

Freshman cup is one of the most important athletic competitions in National Taiwan University, which is held every year for freshmen in the university and in the graduate school

> Captain, Chemical Engineering badminton team, NTU

01/2009 - 08/2009

Member, Electrical Engineering badminton team, NTU

09/2009 - 08/2012

> Member, Electrical Engineering Camp, NTU

05/2011 - 07/2011

This is the most important propaganda of the Dept. of Electrical Engineering. We recruit 120 high school students, introducing our department, teaching basic circuit design and programming language

Male Dancer, Night of Electrical Engineering, NTU

03/2010, 03/2011 and 03/2012

Most significant event for NTUEE students, which is held each year, showcases the talents of NTUEE students
